Hello,

Sentinel records indicate that Barber came in our office for compliance check for year 2022 as follows:

1. 01/17/2022
2. 02/11/2022
3. 02/26/2022
4. 03/15/2022

On the phone you stated that Barber had been told to come in our office few times a week, is totally false. Your client has been less than truthful and every time he was asked for a UA test, he would say that he is unable to pee. Anyway, your client has been directed to come to our office every Monday between 1 pm to 4 pm.

Your client is only on Curfew from 6 pm to 6 am. He is free to work during his non-curfew 12 hour period. We are not stopping him from seeking and getting employed.

Hope this helps.

Hello,

I am Mr. Barber's public defender. He is on home detention with a curfew as a condition of his release.

Mr. Barber tells me he has to travel to SF multiple times a week to check in with the Sentinel, which has been a financial hardship for him considering he is unable to work because of the home detention.

I'd like some clarification on how often he has to check in. My understanding was that he only had to check in once per week.

Thank you.
